

## **Video appointment photo guidelines**

To facilitate the video appointment we request that these photos are submitted no less than 24 hours before.

We ask all patients to send us the following photos:

1. Image showing you smiling

2. Image showing your teeth in frontal view

3. Image of your teeth from the left side

4. Image of your teeth from the right side

5. Image of your upper teeth

6. Image of your lower teeth

It is important that that these photos are of high quality to enable us to provide the best possible advice at your online appointment.
